ERASMUS+ Programme –Key Action 2: Strategic partnership

IENE6- Contemporary large migration waves into Europe: Enabling health workers to provide psychological support to migrants and refugees and develop strategies for dealing with their own emotional needs.

Project ID: 2016-1-UK01-KA202-024283

The fourth meeting in Athens, Greece on 6th and 7th November 2017.

The partners decided to translate the stories uploaded on IENE 6 Knowledge HUB and discussed the ways to develop and improve the content.

The partners planned the next steps in the project. They identified the tools for psychological support, designed the plan for training section on the HUB and agreed on the training materials to be developed.

Sharing the Stories on the IENE 6 Knowledge HUB
(<http://www.ienerefugeehub.eu/stories/>)

All the stories on the IENE 6 Knowledge HUB are available on the KHUB in **English, Romanian, Soanish, Greek, Turkish, Arabic and Farsi**.

The Section **Pshihological support** on the HUB contains validated and appropriate psychological support tools and evidence for best practice within the migrant and refugee services and support context.

These tools are freely available to KHub users to support them in better understanding the needs of migrants and refugees and ways to support them.

Training section on the Hub

(<http://www.ienerufugeehub.eu/training/>)

This section offers training for healthcare workers, volunteers, migrants and refugees in accessing, using and contributing to the various aspects of the Knowledge Hub .

How to use and get involved the Knowledge Hub? offers basic guides in navigating the range of services and applications available through the KHub to those who wish to know more about the service.

Webinars covers all aspects of using and interacting with the KHub and ways to contribute material to the platform.

Bitesizes Online Learning makes available to healthcare workers/volunteers and migrants/refugees online resources that can be accessed as and when they are required on some topics:

- Intercultural communications
- Culturally Competent Psychological Compassion
- Cultural Knowledge
- Mindfulness Learning Videos

Videography

<http://www.ienerufugeehub.eu/video>

An animation video **“Share your Story”** was created by EDUNET and also, a video regarding the promotion of the KHUB.

Greek team produced a video containing testimonies from medical personnel, as well as volunteers of the Organization, that are uploaded on the KHUB.

This video is also available on Youtube channel at https://www.youtube.com/watch?time_continue=2&v=S2zA2Y1gIHl

Next meeting

Next meeting will be in Limassol , Cyprus on 12th and 13th of March 2018.
